

OFFICE OF
COUNCILMAN ANTHONY YOUNG
CHAIRMAN, COMMITTEE ON BUDGET AND FINANCE
WEEKLY UPDATE
FOR
OCTOBER 22, 2009

COUNCIL ACTIONS:

Council launches SAN DIEGO SPEAKS to hear suggestions and recommendations from the public to help address the City's \$200 million budget deficit.

On Wednesday, October 21, 2009, at my request, Mayor Sanders appeared before the Budget and Finance Committee and laid out his timeline for having city departments' present recommendations to him to cut their budgets by 27%. Reductions of this scale could mean layoffs and reduction in the city's core services such as public safety, parks and libraries. Councilmember s and the Mayor unanimously supported having the public provide recommendations and suggestions for the Mayor and Council prior to December 15, 2009. SAN DIEGO SPEAKS, a series of Budget and Finance Committee hearings in the community will begin Wednesday, October 28, 2009 at 6:00 p.m. at the Golden Hill Elementary School located at 1240 33rd Street.

Additional public hearings are as follows:

- Thursday, November 19, 2009
6:00 p.m.
Deportola Middle School, 11010 Clairemont Mesa Blvd.
- Saturday, November 21, 2009
9:00 a.m.
Hoover High School, 4474 El Cajon Blvd.
- Wednesday, December 9, 2009
6:00 p.m.
Joe & Vi Jacobs Center. 404 Euclid Avenue

Your input and participation is vital. I look forward to hearing from you at SAN DIEGO SPEAKS.

On Tuesday, October 13, 2009 the San Diego City Council voted unanimously on my recommendation to receive a federal grant of \$499,000 to fund the Safe Routes to School Plan (SRTS). The Plan will consist of:

1. The creation of a Safe Routes to School Plan for three schools: Chollas-Mead, Kennedy-Porter, and Knox.
2. *Walk to School Week* events and a community-wide *Walk to the Moon Campaign* for 27 elementary schools in Southeastern San Diego.
3. Education in pedestrian/bicycle safety and the benefits of physical activity for students and parents, along with education about child pedestrian issues for drivers.
4. *Comprehensive Program* which will consist of six schools known to have a high number of accidents. Three have been identified (Chollas-Mead, Kennedy-Porter, and Knox). The results of the first Program year “Before Surveys” will assist in the selection of the three remaining comprehensive schools that have low baseline walking/bicycling rates.

As a portion of the scope of the grant, Rady Children’s Hospital will initiate and guide the Safe Routes to School Coalition, which will consist of professionals and community members from Rady Children’s Hospital, Coalition of Neighborhood Councils (District 4), San Diego Police Department, City Traffic Engineering, school representatives, and a representative from the Trauma Research and Education Foundation (TREF). The purpose of the SRTS coalition will be to monitor and evaluate the program activities and provide fiscal oversight. The goals of the project are to reduce the number of child pedestrian injuries and to increase the frequency of children using safe active transportation (e.g., bikes, scooters, skateboards) on their way to and from school. All 27 elementary schools in Southeastern communities will be encouraged to participate in *Walk to School Day* events, which will include overall education regarding injury prevention near schools, health benefits of walking/biking to school, and information about the program.

I commend and thank Rady Children’s Hospital, for applying for this 100% Federal funded grant and establishing a partnership with the Coalition of Neighborhood Councils to develop and implement the Safe Routes to School Plan in the 4th District.
